Details

Description

No contact with dust and full suction power within seconds - the WD 5.300 is equipped with the Kärcher Efficient Filter Cleaning system. The nano-coated cartridge filter guarantees longer lasting suction power and higher dust retention even of the finest dust.

With powerful 1600 W motor rating, a 25 litre container and the practical parking position for work breaks this machine is designed for excellent cleaning performance and convenience.

The exclusive 3-in-1 handle makes it possible to conveniently carry the machine as well as open, close and empty the container. Hose, tubes, cable and standard accessories can be stored space-saving, secure and ready to use on the machine.

Application

For very high demands and frequent use at nearly any cleaning task in and around the house as well as during workshop and renovation activities.

Very well suited for large amounts of finest dust.

Also the ideal help for effective vacuuming of water.
